**THE ANIMAL BY-PRODUCTS REGULATION 2003 – INSPECTION OF YOUR
LABORATORY**

Thank you for your letter dated 7 November 2005, addressing the recommendations made for your laboratory. I have received your amended SOPs and requested documents and I am satisfied with the changes you have introduced in response to the recommendations.

I am pleased to confirm that all problems highlighted during the inspection of your laboratory have been addressed. The routine inspection of your laboratory is complete, thank you for your co-operation.

Yours sincerely,

New, Endemic & Zoonotic Disease Division
